

funds are made available from the CAF and are used under the Airport Capital Program.

3.1.1.1 State Entitlement Funds From the CAF, state entitlement funds are allocated annually to sponsors of airports that have scheduled air carrier service in accordance with *Code of Virginia* §58.1-638.A3. This allocation is based on each airport's enplanements as a percentage of all air carrier airport enplanements within the state during the previous calendar year. Initial calculations will be made using the draft annual enplanement data published in FAA's Passenger Boarding and Air Cargo Data, which is extracted from the Air Carrier Activity Information System provided by the Research and Innovative Technology Administration of the Bureau of Transportation Statistics. The percentages will be revised when the final annual enplanement data is published. *Code of Virginia* §58.1-638.A3a specifies that no air carrier airport shall receive less than \$50,000 or more than \$2 million per fiscal year in state entitlement funds.

When an air carrier airport sponsor has unobligated state entitlement funds at the end of a fiscal year, the unobligated funds are added to the balance of state entitlement funds awarded to the sponsor for the following fiscal year.

Sponsors eligible for state entitlement funds must submit a *Commonwealth Airport Fund Entitlement Utilization Report* for VAB approval each year in order to qualify for state discretionary funding. These reports provide an annual accounting of the previous fiscal year's state entitlement fund expenditures. Utilization reports shall be filed within 30 calendar days
